We're here to take the  
hassle out of course listing.

We have found that when it comes to advertising training courses, the same problems keep coming up - it takes too long, it is too expensive, and you are wasting both time and money on applicants that just aren't suitable.

**Don't worry, at Aviation courses, it is our mission to make it easier on you.**

We are unique.

As part of the Aviation Job Search family, we have spent 20 years becoming aviation industry experts, and specialise in the power of niche. We know the specific challenges that you face within the industry, and know how important relevance is.

That is why we started the very first global aviation courses board. We are committed to ensuring your courses only reach relevant applicants.

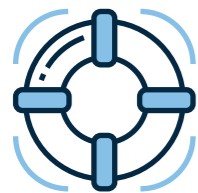

# We are more than facts and figures.

We know that expertise is important, and we have made knowing our stuff a priority, but we know that it isn't everything - we also care about the things that matter.

## **A friendly face**

We are a friendly lot at Aviation Courses, and pride ourselves on customer services. Whether you need help with a listing or just some advice – we are always at the end of the phone.

## **Solutions to everyday problems**

Posting your course to Aviation Courses is fast, easy and free. You only pay when you receive enquiries or enrolments.

## **Find your niche**

We know it is hard to attract the right people to your courses, which is why we specialise in the aviation sector, to ensure your courses reach only relevant applicants.

# What do we do?

We operate with a team of industry experts who know aviation inside and out, and are committed to making sure that your courses only land in front of the right people.

We target people specifically in need of your course by email, putting your courses directly in front of the most relevant applicants to ensure the best response possible.

Not only do we know our stuff, we are also cost effective - our platform is free to use, you only pay when you receive enquiries or enrolments.

# What courses do we advertise?

We know that the aviation industry is very broad, and each sector has its own requirements for training and certifications. No matter which sector your training course falls into, whether it be pilot training, all the way to english language lessons, we are confident we can put your listing in front of the most relevant candidates, every time.

- AVIATION MANAGEMENT ● AVIATION SAFETY
- CABIN CREW ● PILOT TRAINING
- AERONAUTICAL ENGINEERING ● HELICOPTER TRAINING
- AIRCRAFT MAINTAINANCE ● AIR TRAFFIC CONTROL

If you don't fit into any of the listed course categories, don't worry. We're experts in the industry, and pride ourselves on being versatile. We have the experience, knowledge and technology to place your course in front of the right applicants.

# You'll be in great company

Trusted by the biggest names in aviation training

Whether you have one course to list, or a hundred, and no matter which sector of the aviation industry you provide training for, we will make sure your courses end up in front of the right people, every time.

## Get in touch.

If you're looking to list a course, or you just want to discuss your needs, hear a little more about what we do, or get some advice, get in touch. We pride ourselves on customer service, so a member of the team will always be on hand to help.
